A Couple of Notes About the Schedule: All lectures are 4 hours except for the last lecture which is only about an hour. During bar review, our Success Schedule will provide you with precise day-by-day descriptions of course coverage and assignments right through the day of the bar exam. If you have the opportunity to start before December 15, you can begin immediately and we will provide you with a Success Schedule (starting November 1, November 15, or December 1), which provides additional time to complete assignments and a few additional days off (i.e. relief!!) from studying.
